Re: MUR-4793

Dear Ms. Boyt:

This letter is being sent in response to your letter of August 27th, 1998 regarding MUR-4793.

In the complaint neither my company nor myself, as owner, are mentioned. However, in an attached listing of contributions to Anthony Weiner. This donation was made in support of his race for City Council elective office in New York City.

My company has made no corporate contributions by either check or cash to any federal election race, including that of Anthony Weiner. This statement also indicates that no political contributions were given to the Metropolitan NY Towing or Auto Body Association by company check or cash to use for donations to any federal campaign.

The Association and its staff have made it quite clear that only personal checks can be given in support of anyone running for a federal elected office.

I hope this responds to your inquiry.®

Very Truly yours,

Russell Cascardo
President
